

BEECHWORTH CELTIC FESTIVAL

SATURDAY 5TH AND SUNDAY 6TH NOVEMBER 2016

To the Prospective Market Stall holder

A number of activities for the 2016 Beechworth Celtic Festival are planned as follows:

- Friday night dinner at the Beechworth Old Priory
- The Hotels, Bridge Road Brewers, The Bakery and Beechworth Honey during the day and night on the Saturday and limited activities again on Sunday
- Music and Celtic Dancing in the Memorial Hall on Saturday
- Celtic Poetry in the Beechworth Court House
- Local traders engaged with trading tables adjacent to their businesses
- The Rotary Club Celtic Market and **“Scots on the Rock”** music at Queen Victoria Park on the Saturday from 9.00am to 4.00pm and a Market on Sunday from 9.00am to 1.00pm
- The Beechworth Farmers Market at the Church of England in Church Street on Saturday 5th from 8.30am to 12.00noon.
- A limited Highland Bands walk from Queen Victoria Park to the Historic Precinct via the Old Goal and the Town Hall Gardens on the Saturday.
- Highland Music and Pipers Crawl from location to location on Saturday evening
- Pipe Bands at Lake Sambell Caravan Park

Details of all of the above are currently being finalised.

For potential stall holders this means up to two days trading on the Saturday and Sunday morning only at the Queen Victoria Park location and not in the streets. Some limited Food Stalls can be located in the vicinity of the Town Hall Gardens and Court House on the Saturday only from 9.00am to 7.30pm.

Queen Victoria Park has been used as a successful market location for around 15 years and has space for approximately 150 sites and off street parking for stall holder's vehicles. It is a 500 metre walk/drive from the main shopping area past the Historic Precinct and Old Goal.

Sites are approximately 3.5m x 3.5m and multiple, adjacent sites can be provided. Not all sites are completely level so stallholders usually bring small blocks of wood to level their tables and marquees.

STREATRADER can be accessed at <https://streatrader.health.vic.gov.au>.

Enquiries about food regulations must be made to the Health Inspector at the Indigo Shire offices phone 02 6028 1100 at least 4 weeks prior to the market.

Cancellation, Refunds & Non-attendance: Stall holders who cancel more than five days prior to the event may be eligible to have their site fee transferred in lieu of payment for the next market. There will be no refunds of site fees for cancellation and the non-attendance of stallholders on the day of the market. Any other refunds will be done at the discretion of the coordinator, depending on the reasonableness of the cancellation.

The Rotary Club of Beechworth and its designated Market Organisers reserve the right to refuse a site to any stallholder not complying with any of the above requirements or to remove a stall holder who uses offensive language or displays bad behaviour at the market.

Inclement Weather: Stallholders are advised that the market will go ahead whatever the weather, and no refunds will be made. Stallholders should come prepared with protection for their wares in case of inclement weather.

Setting up: Details of setting up will be forwarded to you, together with a site plan, 1 week prior to the market via email or mail. Sites will be marked on the ground and numbered. Setting up available from 6.30 am on the market day. Stallholder Vehicles may only enter the Queen Victoria Park market area under Rotary Club supervision (bollards are in the driveway) and must not be in the stall area after **8.30am** or before **4.00pm** on the Saturday and after **8.30am** or before **1.00pm** on the Saturday to avoid disruption to other stalls and pedestrians. This access is made available to assist stallholders with unloading and loading heavy and bulky goods and you are asked to keep to the areas and direction indicated on the site plan. An area of the park is made available for stallholder parking during the hours of the market. On Sunday access will be from 6.30am with no vehicle access from 8.30am until 1.00pm.

Stallholders must provide all of their own equipment such as marquees, tables, power leads, etc. As some sites are not completely level it is suggested that levelling blocks also be packed to level tables and stands.

Waste Management & Recycling: Be Waste Wise and reduce, reuse, recycle - we expect all stall holders to remove their own waste and packaging from the market site.

Quality Control: For over 28 years the Beechworth Markets have had a reputation for fine quality handmade, homemade, home grown, locally produced goods and craft. Following research with stallholders, potential stallholders and the general public the Rotary Club decided to expand the availability of product available at the markets. We will now allow good quality bric-a-brac and small-line; non mass-produced commercial items that are not generally available within Beechworth's retail outlets. Acceptance of product will therefore be at the discretion of the market organisers with our aim to keep our markets as quality markets. We have done this to widen the appeal and customer base of the markets.

Thank you for supporting the Beechworth Rotary Club Markets.
